Authorization to Provide In-Region, InterLATA services in the State of New Jersey,
Docket 02-67*

Dear Ms. Dortch:

On June 12, AT&T filed an ex parte notice in Docket 02-67 that should have included a copy of the bill insert that was e-mailed to members of the Commission staff earlier in the week. Attached is a complete copy of the ex parte including the bill insert.

Please contact me if you have any questions.

Sincerely,

Re: Application by Verizon-New Jersey Inc. for Authorization to Provide In-Region,
InterLATA Services in the State of New Jersey, Docket 02-67

Dear Ms. Dortch:

On Wednesday, June 12, 2002, I provided provided the attached bill insert via email to Dorothy Attwood, Bryan Tramont, Jordan Goldstein, Kyle Dixon, Sam Feder and Alexis Johns. This insert, which was sent to Verizon's local telephone customers in New Jersey and received by an AT&T employee on June 10, 2002, advertises Verizon's long distance offering in that state even though the Commission has not yet acted on Verizon's pending 271 application for New Jersey. As follow-up to the email, I left voicemail messages for Dorothy Attwood, Chief of the Wireline Competition Bureau, Kyle Dixon, Legal Adviser to Chairman Powell, Bryan Tramont, Legal Adviser to Commissioner Abernathy, and Jordan Goldstein, Legal Adviser to Commissioner Copps, alerting them to the issue and the email messages I had previously sent. Finally, I spoke with Sam Feder, Legal Adviser to Commissioner Martin, and Dorothy Attwood and advised both that AT&T would be filing a motion on this issue on Thursday.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in cursive script that reads "Robert W. Quinn, Jr.".
